MEDICAL EXPENSES OF PASTOR PHILIP & SISTER CHRISTINA.

The Hiding Place Board of Directors met recently and reviewed the on-going medical expenses of both Pastor Philip and Sister Christina. In view of this heavy financial burden and on behalf of the Hiding Place Board, I would appeal for your generous support for their medical need. Your support is greatly appreciated. GREETINGS to all our friends, supporters and prayer partners of the Hiding Place! We have much to thank the Lord for in all His provisions and blessings over the ministry throughout these last 44 years. The Lord has been very good in seeing and providing for all our needs. We truly can vouch that in Him we suffer no lack. He has provided for all our needs not only in monetary and food provisions but also especially in even supplying us with volunteers who come to work with us in providing free tuition for those needing tuition help in studies. He also provided us with many who heard our call for help in helping us with the pineapple tarts production. Our encounter with the Lord over the 44 years have found Him Faithful and Never Fails. We can without a second thought or hesitation put our trust in Him to completely trust in Him. Having encountered the Lord along our faith’s journey through the years we cannot help but be brought to fully surrender in complete trust to God. “Die Die Trust In Him.”

We are always grateful that the well being of the Ministry of the Hiding Place is primarily due to the prayers of supporters, financial support of well wishers and those who volunteer. The Hiding Place is upheld by many who love the Lord and are concern for the well being of those being helped. We are grateful and thank all supporters for their generosity in volunteering and giving financially. We pray that your act of love will be blessed by God in life and manifold ways.

A.) A FRESH TESTIMONY OF TRUST IN GOD'S PROVISION: The Hiding Place having been a faith ministry for over 40 years has yet to learn the lesson of trusting in God's provision. This past September/October months our general funds records low funds and this cause anxiety of insufficient funds to pay out. We only had a balance of under \$20,000.00 in the account which is insufficient to pay out come 1st November. All staff came together and prayed for the Lord to provide. Thank God and miraculously in 2 days the Lord provided through a cheque which amounts to \$65,210.00. What a miracle! We are anxious and worry but instead God is still teaching us to trust Him completely to provide. Praise God, as a 'Faith Ministry' its is always interesting trusting in God's provision.

B.) RESIDENTS UPDATE: There has been a sudden increase in the call for admission in the last 2 months. Presently we have all 24 beds occupied with residents. The recent 6 admissions are bro. Gershom, bro, Matthew, bro Adrian, bro. Caleb, bro Andy and bro Danel. Both our students for the 'O' level examinations are at the moment busy with studies in the midst of the examinations. Our prayer for them is that they will do well for their 'O' levels examinations.

C.) THP 44TH ANNIVERSARY THANKSGIVING CELEBRATION: On Saturday 4th November we will be celebrating our 44th year of the Hiding Place ministry as a Christian Home reaching out to the lost and those in need of help. We thank God that over the years many residents have been helped and especially guided to a life of success through education. It has always been a joy to have them returned to join us at our anniversary and annual alumni gathering. Our guest speaker for this year's Anniversary is our very own Director, Ps Edmund Chua. Our theme for this year is "COMPLETE TRUST."

D.) THP CHRISTMAS CELEBRATION 2017: On Sunday, 24th December we will be having our Christmas Celebration at the Hiding Place at 7.00 p.m. sharp. This year's celebration will have a mix of presentations from different groups. The Church is also planning to raise funds as in previous years to support charity and the needy. Please respond to the Church collection and also come with a gift to support a good cause. All are welcome!

E) THP YEAR END WATCHNIGHT SERVICE 2017: On 31st December we will be having our alumni gathering cum watchnight service with dinner at 7p.m. Watchnight Service starts at 8.45p.m. All Alumni and friends are welcome to join us for dinner followed by a message for the new year 2018.

F.) THE HIDING PLACE FAITH BUILDING PROJECT: We have finally completed all transactions for the sale of the 22 Tu Fu Avenue property. Our building fund at this moment amounts to \$2,858,785.73 together with the property sold totalled at \$4,640,785.73. We urge you to prayerfully continue giving towards our building fund as we consider another property in Ponggol. This property may be cheaper to purchase but has to be rebuilt suitable for our use. Pray for the Lord's wisdom to guide us as we seek for another premises for the Hiding Place.

G.) THE PINEAPPLE TARTS AND COOKIES PRODUCTION FOR 2018: We thank the Lord that the annual pineapple tarts and cookies baking has been a good means of financial support for the home over the last 20 years. Firstly, we like to thank Sis Molly Lee who was so gracious to share with us her recipe. Sis Molly has since been called home to be with the Lord. We are the beneficiaries since. It is our prayer that this pineapple tarts and cookies would carry on yearly to bring income for the home. This is a very labor intensive project and we need many VOLUNTEERS. We have been having VOLUNTEERS from Churches, Schools, Senior Citizens groups and individuals who bring friends. We will commence our 30 days month long cookie production on Monday 15th January through 14th February daily starting 9.30am through 9 pm. It is our hope that more volunteers could step forth to volunteer. Kindly pray about Volunteering to help us if you are available. We Need Volunteers!

H.) PASTOR PHILIP'S MEDICAL CONDITION UPDATE: Please uphold Pastor Philip in your prayers as he is suffering from multiple complications. Thank God that since the immuno-therapy has stopped in August the cancer marker has remained stable at range 4. He carries the colostomy bag, has 3 spine neck blockages, bacteria infection on the spine 6/7 and also nerve compressd on the lumber between 4/5. The worst of all that he is going through is the pus from the colorectal cancer operation in 2006 possibility because of the immuno-therapy treatment has been causing the cavity to profusely produce pus throughout the day. Dr Frances mentioned that she has done all that she could for me and yet the pus continues. She says she has no solution to his problem but would give another attempt to drain out the pus and hopefully it dries up. He was warded
